Welcome Back Key Clubbers!

Hello Key Clubbers and welcome to another year of wonderful and dedicated service everyone! We're kicking this year off with numerous events so make sure you stay active and sign up for them. It's really a wonderful feeling to help our community so let's get to work and have fun at the same time!

Our New Members!

Welcome aboard! We are delighted to have you in our club, but do you really know what Key Club is? Well, to summarize it up, we meet once a week and throughout the entire year we participate in events around the city helping the less needy and making people happy! Come to our Monday meetings to learn more about the club and sign up for our service events. Check the rest of this newsletter to see the upcoming events. Also, it's great to have as much members as possible—so bring along your friends, Key Club is all about having fun—we have a blast at our events and still do good for the community.

What's Been up With Key Club

Well, Key Club has gotten off to a quick start this year, we've already had multiple events, but it's never too late to join—so check out what we've been doing and hop on board!

Fun Day 2009

This past September, Key Club member teamed up with Dr. Susan Young, director of the Program for Exceptional Families at Oakwood Hospital for one day; in order to help disabled children have fun. At this event, Key Club members were working on doing anything to make these kids have fun. It was one day that was all about them for these disabled children and their families. We put smiles on faces the entire day and were proud in doing so.

AAUW Used Book Sale

On September 16 Key Club was helping shelf and sell used books for the AAUW and all profits made went towards National and Local scholarships, student programs, and other local organizations. Thank you to all the members who gave up their morning and dragged books up a flight of stairs and into the Book Sale to help the Ladies at the annual AAUW Book Sale. Lots of hard work!

Firehouse Face Painting

For four days this October, Key Club has been showing up at Dearborn Fire Department stations around the city and doing face paintings for all children that come. We raised tons of money from this and all our money went to the Dearborn Fire Department Burn Drive which is a program created by the Dearborn Fire Department intended to help kids who have suffered burn damages. Key Club helped out these burned kids a lot with all the money we raised for them.
